Dedication

We, the Postscript staff, would like to dedicate the 1968 yearbook to two loyal Rebel teachers, one who died in the fall of 1967 and the other who is retiring after 41 years of teaching.

Mr. Wilbur Petree

After 41 years of teaching at the Thornton Fractional schools, Mr. Petree is making this his last year. From 1927 to 1949, he served as football coach and also as basketball coach. He was athletic director at North for 26 years. During his years as coach, he had 8 South Suburban Football Champs. South will surely miss the services of this man.

Mrs. Josephine Weaver

On December 5, 1967, Mrs. Weaver died at St. Margaret's Hospital. For the past two years, Mrs. Weaver has taught French at South, also sponsoring the French Club and sharing with her students her knowledge of French culture and customs. The news of her death stunned the entire student body and faculty.

Student Council, FBLA, and the athletic department combined forces to present this year's Homecoming. Friday night saw a tearful Debbie Cable begin her reign as this year's queen. On Saturday, our team broke a school tradition and won our Homecoming game. During half-time of the game the Junior class float was awarded first prize. Homecoming was climaxed with the annual dance, making the '67 Homecoming one of the most memorable.

Girls' Club Dance "Icicles & Ivy"

"THE OLD LAMPLIGHTER"

He made the night a little brighter
Wherever he would go
The Old Lamplighter of long, long ago
If there were sweethearts in the park
He'd pass a lamp and leave it dark
Remembering the days that used to be
For he recalls when dreams were new
He loved someone who loved him too,
Who walks alone with him in memory.

DRAMATICS CLUB

The drama program at TF South has been expanded greatly in the last few years. Members earn points by participating in skits at the meetings, joining committees and being in plays. With the accumulation of a certain number of points, a member may be asked to join the National Thespian Society, an affiliation of the national chapter. This year's fall musical was "Oliver". The tour play, "Alice in Wonderland," went downstate.

Oliver

Work on "Oliver" began in spring of 1967. Tryouts were held and the parts were auditioned. Finally after many strenuous rehearsals, "Oliver" was performed for Lansing and South. Truly, it deserved the standing ovations it received.

"Alice in Wonderland"

This year's tour play, "Alice in Wonderland," was truly in the tradition of successes at South. Once again going on a tour of the state, the cast put the play on at many different schools. Its story went on, as it continued to post high ratings in district and sectional competition.

Student Assistants

The student assistants are a courageous group of students who risk the terrible fate of being called a "brownie." They spend their free periods in assisting not only the P.E. department, but also in doing various odd jobs in the guidance, general, and dean's offices. Others help a lonely vigil at their posts as hall monitors or struggle with the mimeograph machine in the bookstore. Those who work in the clinic and the library perform a direct service for the students as do the "stooges" who sell tickets in the activities room.

What cheers very loudly at all basketball games and wears a red blouse and a black skirt? The answer is any one of the numerous members of the club that is responsible for stirring up school spirit for the games—Pep Club. The cheering block, poster campaigns and team funnel are all part of getting that spirit up.

The main activity of the year is the annual watershow a pageant of music, girls, color and a great deal of WATER.
